The purpose of the Land O' Lakes Public Library conduct policy is to ensure a safe, orderly and comfortable atmosphere in which all library patrons can use the libraries materials and services most effectively. Staff and patrons should be mindful of the effects of their behavior on others using the libraries facilities.

Section 1. General public conduct

General rules of behavior are designed to protect the rights of library patrons, to outline for staff members acceptable and appropriate behavior ~~in~~ part of the patrons and to preserve library materials and facilities.

Wisconsin statues chapter 43.52 (2) states: "Every public library shall be free for the use of the inhabitants of the municipality by which it is established and maintained, subject to such reasonable regulations as the library board prescribes in order to render its use most beneficial to the greatest number. The library board may exclude from use of the public library all persons who willfully violate such regulations."

Exclusion from the library should occur as a last resort in cases of misconduct, unless the severity of misbehavior warrants immediate expulsion.
